

WASTE MANAGEMENT PLAN

CITY OF FOSTER CITY

CONSTRUCTION AND DEMOLITION ORDINANCE

to be completed prior to issuance of permit

Construction and Demolition (C&D) Projects

Check one: Demolition New Construction Alteration (Addition/Remodel/Tenant Improvement)

Project Site Address: _____ Permit # _____

Project Contact: _____ Valuation: _____

Phone: _____ Square Footage Altered: _____

Estimated Start Date: _____ Square Footage Added: _____

1. Briefly describe the project: _____
2. What vehicle type will be used to haul materials? _____ (Circle all that apply: Debris box, trailer, dump truck, pick-up truck)

Common Materials in Additions/Remodels/Tenant Improvements

Type of Material	Quantity (Cu. Yds)	Quantity (Tons) T	Facility Diversion Rate (%)	Recycled (Tons) R	Disposed (Tons) D	Disposal or Recycling Facility Used (example: ABC debris box to XYZ recycling facility)
Mixed C&D			%			
Mixed C&D (interior)			%			
Mixed Inerts			%			

List Other Materials Here ONLY if Taking in Separated Loads (Not in Mixed C&D Above)

Asphalt, Dirt/Fill, Concrete, Brick, Wood/Lumber, Roofing Material, Metals (Scrap), Greenwaste, Sheetrock, or other

			100%			
			100%			
			100%			
			100%			
			100%			
			100%			
			100%			
			100%			

Salvage/Reuse: *If applicable, please include a salvage inventory list or letter summarizing material salvaged for reuse*

Waste Generation/Diversion Summary

Column Totals	T	R	D	
Projected Diversion Rate (%)* R/T	%			

*For all projects, applicant shall optimize the amount of diverted material that excludes soil, concrete, asphalt and other non-structural debris. Overall Diversion Rate = R/T

Deposit Calculation--Account # 001-0000-249-2000

Minimum Recycling Goal = 50% of Total Generated or _____ tons recycled

Deposit = \$50 x _____ Total Tons Estimated to be Generated = _____

Method of Payment: _____ (or \$1,000 minimum)

Applicant/Contractor/Owner Name:	Applicant/Contractor/Owner Signature:	Date:
Name of who deposit refund will be paid to:	Approved by:	Date:
